

Material Safety Data Sheet

I. Product Identification

We interpret the U.S. Occupational Safety and Health Act and Regulations, including the Hazard Communication Standard 29 CFR 1910.1200 dated November 25, 1983, that these products should **NOT** be considered hazardous material.

II. Product Description

Copolymer pellets used to manufacture specialty exterior building products.

III. Hazardous Ingredients and Exposure Limits

We interpret the U.S. Occupational Safety and Health Act and Regulations, including the Hazardous Communication standard 29 CFR 1910.1200 dated November 25, 1983, that these products should **NOT** be considered hazardous material.

IV. Typical Physical and Chemical Characteristics

Boiling Point:	N/A	Solubility in Water:	Negligible
Vapor pressure:	20 deg. C	Specific Gravity:	0.90-1.35
Vapor Density:	N/A	pH:	N/A
% Volatile (vol.):	<0.4	Evaporation Rate:	N/A
Freezing/Melting Point:	>120 deg. C (248 deg. F)		

V. Fire, Explosion and Reactivity hazard Data

Flash Point:	>329 deg. C (625 deg. F) (Setchkin)
Flammable Limits:	N/A
Autoignition Temperature:	>375 deg. C (675 deg. F) (Setchkin)
Extinguishing media:	Water Spray, Dry Chemical, Foam, Carbon Dioxide
Special Fire-Fighting Procedures:	Standard Procedure, Class A Fire
Unusual Fire and Explosion Hazards:	None
Stability Considerations:	None
Incompatibility With:	Avoid contact with strong oxidizing agents.
Hazardous Decomposition Products:	None
Hazardous Products of Combustion:	Carbon Dioxide, Carbon Monoxide
Hazardous Polymerization:	Will Not Occur

VI. Health Hazard Data:

No known health hazards.

VII. Emergency and First Aid Procedures

Molten Resins: If molten material comes in contact with the skin, immerse under a running stream of water until cooled. **DO NOT** attempt to remove resin from skin. Removal can cause tissue damage. Get immediate medical attention.

VIII. Spill and Leak Procedures

These products are not listed in Federal Hazardous Waste Regulations 40 CFR 261.33 paragraphs (e) or (f), i.e. chemical products that are considered hazardous if they become wastes. They do not exhibit any of the hazardous characteristics listed in 40 CFR 261 Subpart C. State or local hazardous waste regulations may apply if different than federal.

***HMIS (Hazardous Materials Identification System)
Rating for the product as it is supplied.
N/A-not applicable**
